Day 1 ♦ Monday, August 5 ♦ Home / Ohio

Today we depart on our Canadian Adventure to the province of Ontario and the beautiful and spectacular Niagara Falls. An **included get acquainted lunch** will highlight our day. Our first day's travel will carry us to Ohio for overnight.

Day 2 ♦ Tuesday, August 6 ♦ Niagara Falls / Ontario, Canada

Our tour continues as we travel into Upstate New York along Lake Erie and on to Niagara Falls. The awesome grandeur has drawn visitors ever since the falls were discovered centuries ago. Even if you've never traveled to Niagara, you can still imagine the mighty rush of water, the majestic sweep of panoramic scenery...and chances are that's all you think you'll find there. But, there are hundreds of attractions and events here to excite you and send you in many directions.

The water that flows over Niagara Falls comes from four of the five Great Lakes. From here, the water goes to the Saint Lawrence River and finally to the Atlantic Ocean. The amount of water flowing in the Niagara River is 1,400 gallons per second. Upon arrival we will check into our hotel, our home for the next three nights. How relaxing! A special **dinner** will be **included** atop the Skylon Tower. This is a beautiful revolving restaurant overlooking Niagara Falls.

Day 3 & 4 ♦ Wednesday & Thursday, August 7 & 8 ♦ Niagara Falls Touring / Maid of the Mist

This morning we will see a spectacular film depicting the history of Niagara Falls. After this introduction to the area, our guide will take us for a complete tour including both the American and Canadian Falls, Skylon Tower, the Botanical Gardens and other sights. We will also have a tour of Niagara on the Lake, a unique and quaint village. There will be some time to explore on your own, as we spend two more nights in Niagara. Then hear the crashing waves and see the breathtaking views as we soak up every drop of powerful spray aboard the Maid of the Mist boat tour. It's the only way to experience one of the world's most amazing natural wonders! We'll journey into the heart of one of North America's most powerful waterfalls. Hear the thundering roar of 600,000 gallons of water falling right before your eyes. Feel the mighty rush of the mist on your face aboard the Maid of the Mist. We enjoy an **included dinner** at one of Niagara's finest restaurants one night.

Day 5 ♦ Friday, August 9 ♦ Backroads of Ohio / Touring

Following our **included breakfast** it's off for another exciting destination— the backroads of Ohio. We will also have a tour of the area which will be highlighted by a cheese production plant, a visit to the Warther's Carving Museum. Tonight it's an **included dinner**, family style — featuring great home cooking.

Day 6 ♦ Saturday, August 10 ♦ Southern Ohio

Today following an **included breakfast** its off for touring. Our tour will include Heini's Cheese, An Amish Bakery, and the Farm at Walnut Creek, a wild life preserve, where the exotic animals are seen via a horse drawn wagon ride. This will be a great day of tours. We will enjoy an **included dinner** tonight.

Day 7 ♦ Sunday, August 11 ♦ Home Today

Today following an **included breakfast** it's homeward bound with many fond memories. An **included farewell luncheon** will highlight our day. We arrive home this evening.
