Day 1— May 4—Home / Indiana

Today we will leave for a Fantastic Springtime Adventure to the world famous Tulips Festival in Holland, Michigan. Our first days travel will carry us through the Volunteer State of Tennessee, to the state of Indiana for our first overnight.

Day 2—May 5— Indiana Amish Country

This morning we travel on to Grand Rapids MI, our home for the next three nights. Grand Rapids is the closest major city to Holland, which is where the famous festivities are held. We'll enjoy an **included luncheon** enroute. **Staying in the same hotel for three nights will be so relaxing!**

Day 3— May 6—Grand Rapids, MI / Holland Tulip Time / Dinner & Musical Revue

The Tulip Festival is absolutely an experience of a lifetime with acres of beautiful tulips, good musical reviews, food and attractions. Every year in May, the Tulip Time Festival celebrates the Dutch Heritage and the blooming of millions of tulips with parades, musical shows, street scrubbing, over 1400 costumed Klompen Dancers and eight miles of tulip lanes.

Today we begin our day in nearby Holland, MI and meet our local guide who will be with us for the day. This festival was started in 1927 as a tribute to the Dutch heritage of the city's residents. The festival has eight miles of tulips lanes with millions of gorgeous tulips. This colorful blend of tulips, authentic Dutch costumes, entertainment and friendly, old-fashioned Dutch hospitality makes Tulip Time unique among festivals.

During our tour we will visit the Veldheer Tulip Gardens — Holland's only tulip farm and perennial gardens exhibit the area's most beautiful flower displays. Each spring, millions of tulips show off their gorgeous colors in a setting of windmills, Dutch bridges and canals. Veldheer's is also the DeKlomp Wooden Shoe and Delft Factory

We will also see Windmill Island. Just two miles and two centuries from downtown Holland stands "De Zwaan." America's one and only 200-year old working Dutch windmill. Its steel beams and sails spanning 80 feet, "De Zwaan" stands 12 stories high. Costumed guides escort all visitors through the mill. Windmill Island also offers you many other attractions: The Posthouse Museum, a replica of a 225 year-old Dutch country inn; enchanting Little Netherlands, a display in miniature of the Netherlands; candle carving by gifted craftsman; gift shop and a 20 minute color film on Dutch windmills.

Tonight we will be entertained by an **included dinner and musical**. Haworth Inn's chef creates an incredible dinner to start off the evening followed by this high-energy festival favorite. Outstanding arrangements of almost every musical style are performed by three ultra-talented guys on 30 different musical instruments! New Odyssey adds new arrangements to their show every year so there are always new surprises!

Day 4— May 7—Holland / Lunch Show / Dutch Village

We'll enjoy a delightful **included lunch** featuring a variety of traditional Dutch and American foods, coupled with a one-hour show. The show features Ah! Men, four of West Michigan's strongest male vocalists, that with both stir and create fond musical memories for all. Ah! Men will present "The Great American Songbook" featuring music from American icons like Disney, Cole Porter and Jule Stein, plus a few surprises. After the show we will visit Dutch Village in the wonderful city of Tulips. Enjoy an historical step back in time in Dutch Village, where we visit "Holland" without ever leaving the USA! Stroll through 15 acres of picturesque walks & specialty shops, offering gifts from throughout the world. Following our visit to Dutch Village, it's back to our hotel for another wonderful reception and overnight.

Day 5—May 8— Gerald Ford Library / Beef 'n Boards Dinner Theater

This morning we'll visit the Gerald Ford Library before heading south to Indianapolis. This evening, after checking into our hotel, we'll enjoy an **included dinner and musical** (TBA) at Beef 'n Boards Dinner Theatre.
