Day 1 ♦ March 3 ♦ Home / Lexington, KY

Today we depart for an adventure to the Bluegrass State. We will travel to the heart of horse country, to beautiful Lexington. We will have an **included get acquainted dinner** and spend three nights at our elegant hotel. How relaxing!

Day 2 ♦ March 4 ♦ The ARK Encounter

After our **included breakfast**, we'll spend the day experiencing Bible history at the life-size Noah's Ark! Meet Noah, his family, and the animals on the Ark. The Ark Encounter is three exhibits in one—the massive Ark structure itself, the incredible craftsmanship, and the beautifully fabricated teaching exhibits. The combination of all three will amaze and inspire you to think differently about the biblical account of Noah's Ark.

Day 3 ♦ March 5 ♦ Horse Farms

After our **included breakfast** we have a special treat as we tour horse country and beautiful Lexington. It is a special experience as we get a close up look at the horse industry. This afternoon it's on to Shaker Village for the famous **included Boarding House luncheon** and tour. Shaker Village is home to a remarkable story. The Pleasant Hill Shakers are recognized for their iconic architecture, skilled craftsmanship and profound spirituality, but the story doesn't end there. During a 105-year span, the Pleasant Hill Shakers constructed more than 260 structures on the property. Today, there are 34 surviving buildings. After our guided tour, we return to our hotel for another relaxing night.

Day 4 ♦ March 6 ♦ Berea, Kentucky

Today, after our **included breakfast**, we say goodbye to horse country and travel to Berea, KY—home of Berea College where students work for their tuition. Berea is the only one of America's top colleges that makes a **no-tuition** promise to every enrolled student. Our visit here is highlighted by an **included luncheon** at the famous Boone Tavern. Then it's homeward with memories of The ARK Encounter and beautiful Kentucky.
